

Grandpa

Grandpa was looking for a better life
In this new world
In this new world

He knew it wouldn't be a paradise
In this new world
In this new world

*So many nights he wished he was back home
Too many nights in this new world alone oh oh*

(Chorus)

***Grandpa thank you for the things that you've done
So long ago
So long ago
Grandpa thank you for all that we've become
Oh I hope you know
Oh I hope you know***

Grandpa was hoping he would get it right
In his brave world
In his brave world

Leaving his home was such a sacrifice
for this new world
for this new world

*So many nights he wished he was back home
Too many nights in this new world alone oh oh*

(2nd Chorus)

***Grandpa thank you for the things that you've done
So long ago
So long ago
Grandpa thank you for all that we've become
Well I hope you know
Well I hope you know***

(Repeat 2nd Chorus)
