TCDSB Placed Under Supervision by Minister of Education

TCDSB News

June 27, 2025

Today, the Minister of Education placed the Toronto Catholic District School Board (TCDSB) under supervision.

The TCDSB remains committed to working in partnership with the Ministry and the appointed Supervisor, Mr. Frank Benedetto, to strengthen our financial position while continuing to prioritize student success and classroom supports.

Under supervision, the powers of trustees are vested in the Supervisor, except for denominational matters, which will be deferred to the Board of Trustees for decision.

As this process unfolds, our focus will remain on what matters most: supporting student success.

Families can be assured that the Director of Education and the senior leadership team will work closely with the Supervisor to minimize any impact on students and classroom learning.
